

LA SALLE COLLEGE

School for Grade R-12 Boys and Girls

19th September 2019

Dear Parents,

This letter is to inform our school community of our 2020 school fees. We have managed to keep to our commitment as a Board to limiting the annual increases in school fees. The increase for next year will be 8%.

As an independent school, we are not eligible for any state subsidy. School fees paid by parents are our only source of income to cover all costs and capital expenditure incurred in the running and upkeep of the College.

Please see the schedule below for the fees and applicable discounts for 2020.
